

APPRENTICESHIP FAIR

Learn about Highway Construction Careers

December 9, 2015 3 pm — 6 pm

Location: Energy Innovation Center
1435 Bedford Avenue, Pittsburgh PA 15219

\$250 in Raffle Prizes

Come learn more about the highway construction industry and receive guidance on what the next steps are in pursuing an apprenticeship in the skilled trades.

Representatives from the following organizations will answer your questions on how to start a career in the highway construction industry:

- Apprenticeship Programs - Carpenters/Pile Drivers, Cement Masons, Laborers, Operating Engineers - Explain how and when to apply for programs and upcoming training opportunities
- PennDOT's On-The-Job Trainee Program - Discuss specific opportunities for minority and females
- Joseph B. Fay Company — Provide overview of upcoming projects in Pittsburgh region
- Constructors Association of Western Pennsylvania — Provide assistance with apprenticeship test prep and interview skills

To Attend: log onto www.futureroadbuilders.com, register and complete the virtual pre-apprenticeship program before December 9th to receive your entry certificate. Must bring a printout of the certificate of completion to enter the apprenticeship fair and to be eligible for raffle prizes.
